

# BLUBIRD HOSES

BluBird®

## RIEGLER IS THE EXCLUSIVE PARTNER OF THE BLUBIRD BRAND.

All BluBird workshop hoses and hose sets are now available from us.

- Highly flexible, silicone-free rubber hoses
- Up to 40 % lighter than conventional rubber air hoses
- Unbeatable price/performance ratio

### Solid rubber workshop hoses »BluBird«

Highly flexible, silicone-free hoses for compressed air applications in the workshop area. Available in five sizes, in rolls.

### Hose sets »BluBird«

The classic BluBird hose as a practical, pre-assembled set – including a convenient handle for easy handling. Available in various lengths and with/ without coupling.

### Hose reel »BluBird«

Robust, practical, reliable – the open metal hose reel with original BluBird hose impresses with its automatic return lock and impact-resistant housing.

## BLUBIRD AND RMX.

RMX Industries Pvt. Ltd. has been focussing on manufacturing and exporting general purpose rubber hoses and automatic retractable metal hose reels for more than 32 years. The company supplies to companies in the USA, Europe and India. RMX's BluBird technology revolutionised rubber hoses, making them 40 % lighter, stronger and more flexible. This makes life easier for users worldwide.

Through the continuous development of its products, RMX Industries fulfils the growing demand for high-quality, reliable hose systems.

We at RIEGLER are pleased to be able to offer you BluBird products exclusively in Germany. We will be happy to advise you on the selection of the right hose for your application.
