Compliance with EU Sanctions Regulation (EU) 2023/1214 – Annex XVII Art. 3g(1)(d
Import and purchase ban on iron and steel products with Russian or Belarusian input materials

Dear Sir or Madam,

compliance with Annex XVII of Regulation (EU) 2023/1214 Art. 3g(1)(d) – covering iron and steel products with potential Russian or Belarusian input materials – is ensured on the basis of documented supplier information and established internal compliance procedures. This approach supports transparency and alignment with the applicable EU sanctions requirements throughout the supply chain.

These obligations are implemented in our internal procedures and are reviewed at regular intervals to ensure a reliable and traceable assessment of material origin.

Should you have any questions, we remain at your disposal.

Kind regards,

RIEGLER & Co. KG
