

## Stopper valve, straight push-in fitting

»blue series«

**EASY**

Art. No. 110161

Type No. 195.186

Exemplary illustration

The air supply is completely shut off as soon as the hose is disconnected from the union.

The flow rate is only guaranteed if the hose is securely inserted.

Discontinued product. No longer available. New product 151440 (195.186-2)

### Technical data

|                                |                                 |
|--------------------------------|---------------------------------|
| Max. working pressure          | 10 bar                          |
| Temperature range              | 0 to 60 °C                      |
