

## Earplugs

Dispenser with 250 pairs

Made of slow-recovery, environmentally friendly polyurethane foam. A constant low pressure is maintained. Good insulation combined with optimum comfort.

Colour yellow  
Material Polyurethane foam  
SNR value 36 dB

GS 250

### Earplug, 250 pairs

Art. No.	Type No.	Description
113388	GS 250	250 pairs

## Ear caps

These attractive ear caps exert only low pressure for maximum comfort. Specially designed for short-term use.

- Extremely elastic headband for constant low pressure
- Effective silencing provides good protection
- Soft plugs that are not inserted inside the ear canal
- Ultra-lightweight

Max. level range            101 dB  
SNR value                    26 dB

GS 260

## Ear muffs

For very high noise levels and effective protection at central and high frequency noise.

- Wide, soft padded headband distributes the weight efficiently
- Two-point suspension exerts low pressure for comfortable, long term use
- Soft, liquid foam-filled ear cushions provide added comfort

Max. level range                      105 dB  
SNR value                                31 dB  
Weight                                      300 g
